PRACTICAL GUIDE

Your Naples cruise stop

Private boat excursions for cruise passengers

Turn your stop in Naples into a private day on the water aboard our NINJA boats. Share your cruise schedule and wishes: we organise the road connection, recommend a boat for your group and build an itinerary around the time you have ashore.

01

Begin with your ship's times

Send your expected disembarkation time and the all-aboard time set by your cruise company. All aboard is when you must be back on the ship; it may be earlier than departure. We plan the road transfer, boat itinerary and a return margin together.

02

From the terminal to our pier

We arrange a private Mercedes car or van from the cruise port to our boat embarkation pier. Our boats cannot board passengers inside the cruise port because it is a commercial port, not a tourist marina. The meeting point, pickup time and return arrangements are agreed in advance.

PLAN YOUR DAY

Plan your day

03

A boat for your own group

Tell us the number of adults and children, your comfort preferences and the day you have in mind. We recommend a suitable NINJA boat for your party and proposed route, subject to availability.

04

Choose what matters most

A swim, coastal caves, a restaurant reservation or time ashore: let us know your priorities. Capri, Ischia or Procida can inspire the day. Several stops can be combined only when distances, sea conditions, access and your ship's schedule allow. Meals and other arrangements are clarified in your proposal.

What to send us

- ☐ Date of the Naples stop and name of your cruise ship.
- ☐ Expected disembarkation time and required all-aboard time.
- ☐ Number of adults and children, plus any mobility needs.
- ☐ Preferred destination, swimming stops and restaurant wishes.
- ☐ Email and, if you wish, a phone number with country code.

The destination, timing, inclusions and any separate charges are confirmed in your personalised proposal. Restaurant bookings depend on availability. If your cruise schedule changes, contact us promptly so we can review the arrangements under the agreed booking conditions.
