OUR FLEET

Our NINJA fleet

Private boat excursions & transfers

From an island crossing to a day exploring the coast, your boat shapes the experience. Meet our NINJA boats and traditional gozzi. We will recommend the right choice for your group, route and preferred way to spend the day.

Your day starts with a conversation

Tell us your date, number of guests, departure port and any fixed return time. Share your priorities: swimming, lunch, time ashore or a private transfer. We assess the route, conditions and availability before proposing a suitable boat and confirming the arrangements and costs.
